B9 Pwings Fork is currently targeting Rafterman82's fork for 1.7.3 but jrodrigv (the previous dev/maintainer) has updated the upstream fork for 1.8.1

Whoops, didn't realise that this was already being discussed on #7486

See #7486 (comment), I think we are okay if we merge it now. Thanks @Poodmund

[Mod] Request to track new fork B9-PWings-Fork for KSP 1.8.1 #7486 Closed

DasSkelett commented on Nov 16, 2019 Member

@jrodrigv, your version tag on GitHub has a 'V' prefix, @Rafterman82's versions don't have one. This will mess up the sorting once the 'V' is removed again. Can you remove the 'V' prefix from the tag (for this version and in the future)?

jrodrigv commented on Nov 16, 2019

Sure I will do it asap
